

BRYANT UNIVERSITY

*One Hundred and Fifty-Eighth
Commencement*

SATURDAY, MAY 22, 2021

Welcome

*A most cordial welcome is
extended to relatives, friends,
faculty members, alumni,
administrators, and staff who
gather here to celebrate
the 158th Commencement
of Bryant University.*

MORNING PROGRAM • 10 AM

ACADEMIC PROCESSION

CLASS FLAG

Bryant University gratefully acknowledges the late George J. Kelley '39, '69H, Honorary Trustee Emeritus, for his generosity in providing ongoing financial support for the purchase and display of graduating class flags.

This year's flag was designed by seniors Jonathan David Huntley, Zachary Michael Allen, William Michael Limperis, Dana Michele Brokmeier, Sawyer Amanda Morrow, and Vivian Chi-Ching Lee. These students are all leaders of the Student Alumni Association.

"The Class of 2021 flag represents the experiences and opportunities our classmates have had abroad. Bryant has allowed our class to expand our world and develop our global perspective through the Sophomore International Experience, study abroad programs, and limitless opportunities. The quote 'Education is the key to unlocking the world, a passport to freedom,' embodies the ideals that Bryant instills among its students. We hope to see this trend of becoming worldly scholars continue."

HONORARY DEGREE RECIPIENTS

Dennis Michael Coleman, JD

HONORARY DOCTOR OF BUSINESS ADMINISTRATION

Widely recognized as a strategic problem solver, Dennis Coleman founded the nationwide sports, media, and entertainment practice at Ropes & Gray LLP, one of the world's preeminent law firms. He currently represents a wide variety of sports industry clients including the National Football League (NFL), the Boston Red Sox and the National Association of Basketball Coaches, as well as numerous head football and basketball coaches across the country and top national broadcasters in contract, sponsorship, and endorsement matters.

In addition, Mr. Coleman works regularly with partners across Ropes & Gray to solve complex problems for sports industry clients, such as compliance and enforcement issues with government enforcement partners and intellectual property and licensing issues with IP partners.

Among his many accomplishments, Mr. Coleman represented Gillette in connection with the naming rights for Gillette Stadium, home of the New England Patriots; represented the NFL in a series of transactions positioning NFL On Location—its premium events and hospitality business; negotiated one of the first-ever succession plan contracts in the NFL through the deal that took place when Jim Caldwell succeeded Tony Dungy as head coach of the Baltimore Colts; and currently serves as General Counsel to the National Association of Basketball Coaches, providing a wide range of advice on issues including licensing, sponsorships, patent, trademarks, real estate and contract negotiations.

He is a member of the American Bar Association and its Sports and Entertainment Industry Forum, the Massachusetts Bar Association, the Rhode Island Bar Association, and the Thurgood Marshall Law Society, among many other professional organizations. Mr. Coleman currently serves as a Trustee at Union College and on The Sports Lawyers Association Board of Directors.

He received his law degree from Georgetown University Law Center and his AB from Brown University.

Rosanne Somerson

HONORARY DOCTOR OF ORGANIZATIONAL LEADERSHIP

As President of Rhode Island School of Design (RISD), Rosanne Somerson is an accomplished leader and advocate for the arts. She has made significant contributions to advancing art and design throughout her career as a practicing designer, professor, and distinguished academic leader.

Ms. Somerson led the RISD community in developing a visionary strategic plan which recognizes the collective role of artists, designers, and educators as cultural innovators and agents of change. The plan articulates a vision for advancing just societies and contributing to environmental solutions, along with impact at the intersections between social and environmental justice. She also worked with the RISD community to establish the school's first Social Equity and Inclusion Action Plan and provided leadership for significant fundraising gains which have dramatically increased student access and support for financial aid, endowed scholarships and faculty positions, and support for innovative strategic initiatives.

Before serving as RISD's president, she previously served as Provost and as a member of the faculty, founding the Furniture Design Department in 1995. Ms. Somerson also runs a successful design studio, designing and creating furniture for exhibitions and commissions. Her work is represented in many private, corporate, and museum collections and has been prominently featured in many publications and exhibited in museums and galleries throughout the world, including at the Musée des Arts Décoratifs at the Louvre, Paris.

Ms. Somerson is a frequent speaker and author on the power of art and design as core elements of critical thinking and making. She has been recognized with many honors, including a 2019 Pell Award for Outstanding Leadership in the Arts, two fellowships from the National Endowment for the Arts, and the James Renwick Alliance Distinguished Crafts Educator Award. She earned her Bachelor of Fine Arts degree from Rhode Island School of Design.

AFTERNOON PROGRAM • 3 PM

ACADEMIC PROCESSION

CLASS FLAG

Bryant University gratefully acknowledges the late George J. Kelley '39, '69H, Honorary Trustee Emeritus, for his generosity in providing ongoing financial support for the purchase and display of graduating class flags.

This year's flag was designed by seniors Jonathan David Huntley, Zachary Michael Allen, William Michael Limperis, Dana Michele Brokmeier, Sawyer Amanda Morrow, and Vivian Chi-Ching Lee. These students are all leaders of the Student Alumni Association.

"The Class of 2021 flag represents the experiences and opportunities our classmates have had abroad. Bryant has allowed our class to expand our world and develop our global perspective through the Sophomore International Experience, study abroad programs, and limitless opportunities. The quote 'Education is the key to unlocking the world, a passport to freedom,' embodies the ideals that Bryant instills among its students. We hope to see this trend of becoming worldly scholars continue."

HONORARY DEGREE RECIPIENTS

Ronald K. Machtley

HONORARY DOCTOR OF BUSINESS ADMINISTRATION

Bryant's eighth president for 24 years (1996–2020), the Honorable Ronald K. Machtley is one of the longest-serving college or university presidents in the country and had a profound impact on more than 15,000 Bryant alumni who live and work in our community and in organizations around the world.

During his tenure Bryant achieved a dramatic transformation and ascended from a regional business college to a national university with a school in Zhuhai, China. Under his leadership Bryant experienced growth across every facet of the organization, including creation of the School of Health Sciences and College of Arts and Sciences, introduction of new undergraduate and graduate academic programs, and a transition to Division I NCAA athletics. President Machtley enhanced Bryant's campus by adding several award-winning facilities including the Quinlan/Brown Academic Innovation Center, the Bello Center for Information and Technology and its Douglas and Judith Krupp Library, Beirne Stadium and the Bulldog Strength and Conditioning Center, and the Conaty Indoor Athletic Center.

Prior to his role at Bryant, he served as a United States Congressman for the State of Rhode Island, 1989–1995. He was a member of the House Armed Services Committee; the ranking Republican on the Small Business Committee's Minority Enterprise, Finance, and Urban Development Subcommittee; co-founded the first U.S. House Working Group on Mental Health; and served as co-chairman of the New England Energy Caucus. He was elected President of his Congressional Class during each term that he served. Prior to serving in Congress, President Machtley was a practicing attorney.

A graduate of the U.S. Naval Academy, he earned a juris doctorate from Suffolk University Law School. He served on active duty in the U.S. Navy and retired as a captain from the U.S. Naval Reserves. President Machtley currently serves on the board of Amica Mutual Insurance Company.

Andrey Zarur, Ph.D., P'24

HONORARY DOCTOR OF LETTERS

A successful entrepreneur and expert on pandemic preparation and the development of vaccines, Andrey Zarur, Ph.D., is founder, president and CEO of GreenLight Biosciences, an integrated life sciences company focused on making a positive difference in the world. During his accomplished career he has been a co-founder and senior executive at more than a dozen companies in the healthcare and clean energy sectors.

Opened in 2008 to develop advanced biological solutions to overcome some of the biggest challenges faced by the human race, including sustainable food production, response and preparedness for pandemics, and global access to effective human health, GreenLight pioneered groundbreaking technology to create high-performing, natural RNA products that address global sustainability challenges and promote healthier plants, foods, and people.

Dr. Zarur is also a co-founder and was Chairman of the Board of Solid Biosciences, Inc. (NASDAQ: SLDB), a gene-therapy company targeting Duchenne Muscular Dystrophy, and co-founder and previously Chairman of the Board at Lumicell Surgical, an oncology company delivering advanced imaging solutions to cancer surgery. Prior to starting GreenLight, he was Managing Partner at Kodiak Venture Partners, an early-stage, technology-driven venture fund based in Boston.

He is a frequent speaker at scientific and trade conferences and has authored a number of landmark peer-reviewed articles in prestigious scientific journals. Dr. Zarur holds more than 100 provisional and issued patents and has been regularly quoted in international media on the pandemic and RNA vaccines, including recent opinion pieces in *Fortune* and *STAT*, as well as quotes in the *Financial Times*, *Investor's Business Daily*, *Wired*, *Business Insider* and *CNBC*.

Dr. Zarur carried out his graduate doctoral studies in Chemical and Biomedical Engineering at the Massachusetts Institute of Technology, and Immunology at Harvard-MIT.

GRADUATION HONORS AND HONOR SOCIETIES

Students at Bryant University who have distinguished themselves through academic performance wear gold honor cords with their academic robes.

ACADEMIC HONORS

Special recognition is accorded those who show distinction in academic achievement. Honors may be awarded on the basis of cumulative averages, as follows: Cum Laude (with honors – GPA of 3.45), Magna Cum Laude (with high honors – GPA of 3.65), and Summa Cum Laude (with highest honors – GPA of 3.85). Students must have completed sixty (60) semester hours of coursework at Bryant University to be eligible for honors.

HP HONORS PROGRAM

The Bryant University Honors Program provides highly qualified and motivated students with special opportunities to challenge themselves while developing their intellectual abilities and talents through an interdisciplinary curriculum. In order to be considered Honors Program graduates, students must successfully complete a rigorous curriculum of eight honors-level courses, including an Honors Senior Capstone Project. In addition, each student needs to earn a minimum overall GPA of 3.4.

ALUMNI CHARGE

Today, as you celebrate your graduation from Bryant University, you find yourself saying goodbye to the classmates, faculty, and staff with whom you have formed close friendships over these last few years. Graduation, however, is not so much an ending as a transition. It's true that you're about to begin a new stage of life, but as a Bryant University alumnus or alumna, you are never far from the community you've come to know as a home away from home.

In fact, one of the reasons you chose Bryant was for its close-knit community. Through the Bryant University Alumni Association, you can always stay in touch with classmates by attending class and affinity reunions, networking at regional events, and by engaging with us through social media channels. Just as Bryant provided you with a solid foundation for a successful career, our worldwide alumni network is there to support your professional goals.

As a Bryant student, you participated in academic, athletic, and civic events that not only helped you develop many skills but also gave you a sense of satisfaction as well. As a Bryant graduate, you can stay involved by serving on University committees, advisory councils, and even the Board of Trustees. You can advance Bryant's reputation by getting involved with admission, career services, educational, and fundraising initiatives. And, throughout the year, Bryant alumni gather together to reach out to their communities through a number of volunteer programs.

Just as the Bryant community shared in the celebration of your accomplishments as a student, we will always be interested to hear of your successes. Let us know when you've moved and what milestones you've reached so we can share your good news with your Bryant classmates and friends.

Congratulations on your graduation, and welcome to the Bryant University Alumni Association!

ACADEMIC HERALDRY

The history of academic dress worn today dates back to the universities of the Middle Ages. A statute in 1321 required the wearing of gowns by all scholars and clerics. Probably, the warm gown and hood were practical in the unheated buildings.

Students at most American universities wore caps and gowns daily while in residence until after the Civil War. These varied in design until they were standardized by the American Intercollegiate Commission in 1895. While the academic costume code has been modified over the years, the general characteristics of the initial requirements still prevail. The uniform system of academic heraldry serves to indicate the level of degree, the field of study in which it was earned, and the institution by which it was granted.

The gown for the bachelor's degree has pointed sleeves and is designed to be worn closed. The gown for the master's degree has an oblong sleeve and can be worn open or closed. The gown for the doctoral degree has bell-shaped sleeves with black velvet facing down the front and three bars of the same color across the sleeves. However, these facings and crossbars may be in the color distinctive to the subject to which the degree pertains.

The academic hoods are lined with the color of the university granting the degree. The length of the hood varies slightly for bachelor's, master's, and doctoral degrees. It is often traditional for the candidates for degrees to wear the mortarboard tassel on the right front side before the degree is conferred, and to shift it to the left when the degree is awarded.

At Bryant University, the president, trustees, and honorary degree recipients wear specially designed gold robes trimmed with black, representative of the University's colors.

THE HARRIET E. JACOBS MEMORIAL MACE

The University Mace is carried at Commencement exercises and at other University celebrations. Crowned in gold, the mace has two dominant emblems: the seal of the State of Rhode Island and the seal of Bryant University.

THE PRESIDENT'S CHAIR

The President's Chair, a gift to the University from Priscilla Angelo and her husband, John Eng-Wong, is used on ceremonial occasions. It is a Victorian-style gent's chair rendered in walnut and copied from an original French design from the period of the University's founding in 1863. The carved crest top includes the Bryant University bronze seal.

BRYANT MEDALLION

The Bryant Medallion is worn by the president during academic ceremonies such as Commencement, Convocation, and the bestowing of honorary degrees. One side of the medallion bears a likeness of the University seal, the other, the names of all Bryant University presidents. The formal installation of a president is marked by the presentation of the medallion to the president by the chair of the Board of Trustees.

THE BRYANT SEAL

The Bryant Seal represents the educational mission of the University and its worldwide implications. The central symbol is an ellipsoid globe with quills on each side to signify the traditional emblem of communication in business. In the center, behind the globe, is a torch symbolizing liberty, the spirit of free inquiry, academic freedom, and learning. The Archway, forming the background for the globe, torch, and quills, is a University landmark affectionately remembered by thousands of alumni. The Latin motto expresses the purpose of the University: "Cognitio. Virtus. Successus." – Knowledge. Character. Success.
