## HONORARY DEGREE RECIPIENTS

---

### *The Honorable Daniel J. McKee*

HONORARY DOCTOR OF BUSINESS ADMINISTRATION

Governor Daniel J. McKee is a lifelong Rhode Islander who proudly serves as the Ocean State’s 76th Governor. Born and raised in Cumberland, Governor McKee is the son of Helen Willa and James McKee, who founded the Boys Club in Cumberland in 1956, which Governor McKee later expanded to be known as the Boys & Girls Club of Northern Rhode Island.

After graduating from Cumberland High School and Assumption College in Worcester, MA, Governor McKee began his career in public service on the Town Council in his hometown of Cumberland. After serving for eight years, he was elected Mayor. Following 12 years as Mayor of Cumberland, he left office in 2014 when he was selected Lieutenant Governor. He ascended to the Governor’s Office in 2021 and was re-elected to his first full term in office in 2022, winning via the largest margin of victory in a Rhode Island Governor’s race in more than 30 years.

When McKee became Governor in March 2021, it was amidst the most challenging global pandemic in more than a century. Despite that, he delivered one of the nation’s best vaccine rollouts, getting shots in arms at rates that were among the very best in the country. His leadership also helped to rebuild Rhode Island’s struggling economy, bringing the state’s unemployment to its lowest ever on record. As Governor, he continues to focus on the same issues he has cared about his whole career – accessible government, effective fiscal management, a high-quality public education for all students, equity and justice, and economic development centered on small businesses.

### THE HARRIET E. JACOBS MEMORIAL MACE

The University Mace is carried at Commencement exercises and at other University celebrations. Crowned in gold, the mace has two dominant emblems: the seal of the State of Rhode Island and the seal of Bryant University.

### THE PRESIDENT'S CHAIR

The President's Chair, a gift to the University from Priscilla Angelo and her husband, John Eng-Wong, is used on ceremonial occasions. It is a Victorian-style gentleman's chair rendered in walnut and copied from an original French design from the period of the University's founding in 1863. The carved crest top includes the Bryant University bronze seal.

### BRYANT MEDALLION

The Bryant Medallion is worn by the president during academic ceremonies such as Commencement, Convocation, and the bestowing of honorary degrees. One side of the medallion bears a likeness of the University seal, the other, the names of all Bryant University presidents. The formal installation of a president is marked by the presentation of the medallion to the president by the chair of the Board of Trustees.

### THE BRYANT SEAL

The Bryant Seal represents the educational mission of the University and its worldwide implications. The central symbol is an ellipsoid globe with quills on each side to signify the traditional emblem of communication in business. In the center, behind the globe, is a torch symbolizing liberty, the spirit of free inquiry, academic freedom, and learning. The Archway, forming the background for the globe, torch, and quills, is a University landmark affectionately remembered by thousands of alumni. The Latin motto expresses the purpose of the University: "Cognitio. Virtus. Successus." – Knowledge. Character. Success.

## ALUMNI CHARGE

---

Today, as you celebrate your graduation from Bryant University, you find yourself saying goodbye to the classmates, faculty, and staff with whom you have formed close friendships over these last few years. Graduation, however, is not so much an ending as a transition. It's true that you're about to begin a new stage of life, but as a Bryant University alumnus or alumna, you are never far from the community you've come to know as a home away from home.

In fact, one of the reasons you chose Bryant was for its close-knit community. Through the Bryant University Alumni Association, you can stay in touch with classmates by attending class and affinity reunions, networking at regional events, hiring or mentoring fellow Bryant graduates, and by following our news and information online. Just as Bryant provided you with a solid foundation for a successful career, our worldwide alumni network of over 50,000 Bulldogs are there to support your professional goals.

As a Bryant student, you participated in academic, athletic, and civic events that not only helped you develop many skills but also gave you a sense of satisfaction as well. As a Bryant graduate, you can stay involved by serving on University committees, advisory councils, and even the Board of Trustees. You can advance Bryant's reach and reputation by getting involved with admission, career services, educational, and fundraising initiatives. And, throughout the year, Bryant alumni serve as classroom speakers, panelists, judges and career advisors for current students.

Just as the Bryant community shares in the celebration of your accomplishments as a student, we will always be interested to hear of your successes. Let us know when you've moved and what milestones you've reached so we can share your good news with your Bryant classmates and friends.

Congratulations on your graduation, and welcome to the Bryant University Alumni Association!

## ACADEMIC HERALDRY

---

The history of academic dress worn today dates back to the universities of the Middle Ages. A statute in 1321 required the wearing of gowns by all scholars and clerics. Probably, the warm gown and hood were practical in the unheated buildings.

Students at most American universities wore caps and gowns daily while in residence until after the Civil War. These varied in design until they were standardized by the American Intercollegiate Commission in 1895. While the academic costume code has been modified over the years, the general characteristics of the initial requirements still prevail. The uniform system of academic heraldry serves to indicate the level of degree, the field of study in which it was earned, and the institution by which it was granted.

The gown for the bachelor's degree has pointed sleeves and is designed to be worn closed. The gown for the master's degree has an oblong sleeve and can be worn open or closed. The gown for the doctoral degree has bell-shaped sleeves with black velvet facing down the front and three bars of the same across the sleeves. However, these facings and crossbars may be in the color distinctive to the subject to which the degree pertains.

The academic hoods are lined with the color of the university granting the degree. The length of the hood varies slightly for bachelor's, master's, and doctoral degrees. It is often traditional for the candidates for degrees to wear the mortarboard tassel on the right front side before the degree is conferred and to shift it to the left when the degree is awarded.

At Bryant University, the president, trustees, and honorary degree recipients wear specially-designed gold robes trimmed with black, representative of the University's colors.
